Dear Families,

I hope you keeping well.

We have ended the week by supporting Children in Need today— our pupils and staff have come to school in brightly coloured, spotty or own clothes to celebrate and raise money for this very special charity.

THANK YOU for your support.

We were very pleased so many families were able to join Parents' Evenings this week either in person or online to celebrate your child's progress, agree their new targets and work jointly to ensure we are getting the best outcomes for your children. If you did not manage to meet your child's Class Teacher/Team please do contact them via email or Class Dojo to arrange a phone call.

Next week our Tonbridge Team will be welcoming pupils and families at our **Futures & Destinations** event for our young people and their families to meet colleges, provisions and find out more about opportunities after leaving Oakley School.

If you are able to spare some time helping on a stall at the Christmas Fair, the PTA are looking for helpers. Please contact them on: friends@oakley.kent.sch.uk

Warm wishes

Safeguarding at Oakley School

Today the pupils have been celebrating Children in Need which raises money for many different projects.
I want to draw your attention to Positive relationships matter - BBC Children in Need where celebrities share personal experiences about people who have positively impacted their lives. The pandemic had a negative impact on families across the country and some are still trying to recover from the strain of isolation. There is more information on our school website about accessible activities our pupils can join or speak to a DSL for further signposting. Enjoy all the opportunities our local community has to offer!

Christmas Fair 2023
