Feedback from SKPS Primary School Zones of Regulation
Training

19th January 2021

“It has provided me with a better understand of how best to use The Zones of Regulation and how to put it into practice. Very informative and I will take a lot from this training.”

“I am now able to deliver ZOR to pupils successfully.”

“I already use zones of regulation but I now know more ways to incorporate it better.”

100% of those who gave feedback said they would recommend the presentation to a colleague.

100% said the presentation was relevant to their teaching practice.

100% of those who gave feedback said they learnt something new.
